D.W. Initials

1. **USE** The Apartment must be used only as a private Apartment to live in as the primary residence of the Tenant and for no other reason. Only a party signing this Lease may use the Apartment. This is subject to Tenant's rights under the Apartment Sharing Law and to limits on the number of people who may legally occupy an Apartment of this size.

2. **FAILURE TO GIVE POSSESSION** Landlord shall not be liable for failure to give Tenant possession of the Apartment on the Beginning Date of the Term. Rent shall be payable as of the beginning of the Term unless Landlord is unable to give possession. Rent shall then be payable as of the date possession is available. Landlord must give possession within a reasonable time, if not, Tenant may cancel and obtain a refund of money deposited. Landlord will notify Tenant as to the date possession is available. The Ending Date of the Term will not change.

3. **RENT, ADDED RENT** The Rent payment for each month must be paid on the first day of that month at Landlord's address. Landlord need not give Notice to pay the Rent. Rent must be paid in full without deduction. The first month's Rent is to be paid when Tenant signs this Lease. Tenant may be required to pay other charges to Landlord under the Terms of this Lease. They are called "Added Rent." This Added Rent will be billed and is payable as Rent, together with the next monthly Rent due. If Tenant fails to pay the Added Rent on time, Landlord shall have the same rights against Tenant as if Tenant failed to pay Rent.

4. **NOTICES** Any bill, statement or Notice must be in writing. If to Tenant, it must be delivered or mailed to the Tenant at the Apartment. If to Landlord it must be mailed to Landlord's address. It will be considered delivered on the day mailed or if not mailed, when left at the proper address. A Notice must be sent by certified mail. Each party must accept and claim the Notice given by the other. Landlord must notify Tenant if Landlord's address is changed.

5. **SECURITY** Tenant has given Security to Landlord in the amount stated above. The Security has been deposited in, and delivery of this Lease is Notice of the deposit. If the Bank is not named, Landlord will notify Tenant of the Bank's name and address in which the Security is deposited.

The Security Deposit cannot be used by Tenant as a rental payment (even for the last month's Rent).

If Tenant fully performs all Terms of this Lease, pays Rent on time and leaves the Apartment in good condition on the last day of the Term, then Landlord will return the Security being held.

The Landlord may deduct any costs resulting from the Tenant's failure to comply with any Agreement in the Lease. If the costs exceed the Security, the Tenant shall pay the additional amount to the Landlord.

If Landlord sells or leases the Building, Landlord may give the Security to the buyer or lessee. In that event Tenant will look only to the buyer or lessee for the return of the Security and Landlord will be deemed released. The Landlord may use the Security as stated in this Section. Landlord may put the Security in any place permitted by law. Tenant's Security will bear interest only if required by law. Landlord will give Tenant the interest when Landlord is required to return the Security to Tenant. Any interest returned to Tenant will be less the sum Landlord is allowed to keep for expenses. Landlord need not give Tenant interest on the Security if Tenant is in default.

6. **SERVICES** No heat and hot water provided for Row Houses. Landlord will supply: (a) heat as required by law, (b) hot and cold water for bathroom and kitchen sink for Red Brick Houses. Tenants are to pay for heat and hot water at tenants' sole cost and expense for Row Houses. Landlord is not required to install air-conditioning. Stopping or reducing of Service(s) will not be reason for Tenant to stop paying Rent, to make a money claim or to claim eviction. Damage to the equipment or appliances supplied by Landlord, caused by Tenant's act or neglect, may be repaired by Landlord at Tenant's expense. The repair cost will be Added Rent. Section 28 of the lease rider supersedes this section when/ if landlord shall choose to engage the bill back system.

Tenant must pay for all electric, gas, oil where applicable; telephone and other utility services used in the Apartment and arrange them with the public utility company. Tenant must not use a dishwasher, washing machine, dryer, freezer, heater, ventilator, or other appliances unless installed by Landlord or with Landlord's written consent. Tenant must not use more electric than the wiring or feeders to the Building can safely carry.

Landlord may stop service of the plumbing, heating, appliances or electrical systems, because of accident, emergency, repairs, or changes until the work is complete.

7. **ALTERATION** Tenant must obtain Landlord's prior written consent to install any paneling, flooring, "built in" decorations, partitions, railings, or make alterations or to paint or wallpaper the Apartment. Tenant must not change the plumbing, ventilating, air conditioning, electric or heating systems. If consent is given, the alterations and installations shall become the property of Landlord when completed and paid for. They shall remain with and as part of the Apartment at the end of the Term. Landlord has the right to demand that Tenant remove the alterations and installations before the end of the Term. The demand shall be by Notice, given at least fifteen (15) days before the end of the Term. Tenant shall comply with the demand at Tenant's own cost. Landlord's decision to repair must be given by Notice to Tenant within thirty (30) days of the fire or casualty. Landlord shall have a reasonable time to repair. In determining what is a reasonable time, consideration shall be given to any delays in receipt of insurance settlements, labor trouble and causes not within Landlord's control. If Landlord fails to give Tenant Notice of its decision within thirty (30) days, Tenant may cancel the Lease as of the date of the fire or casualty. The cancellation shall be effective only if it is given before Landlord begins to repair or before Landlord notifies Tenant of its decision to repair. If the fire or other casualty is caused by an act or neglect of Tenant or guest of Tenant, all repairs will be made at Tenant's expense and Tenant must pay the full Rent with no adjustment. The cost of the repairs will be Added Rent.

Landlord has the right to demolish, rebuild or renovate the Building if there is substantial damage by fire or other casualty. Tenant understands that a Lease is a binding contract, and that he/she is liable for Rent and all other Lease stipulations for the entire Term of the Lease or Renewal period, unless released in writing by the Landlord. In the event of any inconsistency between the provisions of this Rider and those contained in the Lease to which this Rider is annexed, the provisions of this Rider shall govern and the inconsistent provisions contained in the Lease shall be deemed amended accordingly.

2. If Landlord is required pursuant to the Term of this Lease to incur any legal expense to enforce his right to recover damages due, Landlord shall be entitled to add, as Additional Rent, all filing fees, court costs and attorneys' fees in connection therein. This includes any and all costs related to any action to collect any balance due. The Additional Rent shall be due and payable as Rent with the next monthly Rent payment. Nonpayment of Additional Rent gives the Landlord the same rights against the Tenant as if the Tenant failed to pay the Rent. Any and all additional charges authorized or permitted by this Lease shall be Additional Rent.

3. **ALL RENTS ARE DUE ON THE FIRST DAY OF EVERY MONTH.** Should the Rent due hereunder be paid more than five (5) days after the due date, the Landlord shall be entitled to, as Additional Rent, a late charge of \$50.00 or 5% of your monthly rent, whichever is less, for each and every month of occupancy that such rental is paid past said grace period. In addition, should Rent not be paid by the 5th of the month, a court action for non-payment of Rent may be instituted and Tenant will be responsible for any and all legal costs incurred. (C) Rent shall be paid by check or money order payable to **Bloomfield Gardens Apartments LLC**
(CASH PAYMENTS ARE NOT ACCEPTED.)

(D) Tenant agrees that once a court action for non-payment of Rent is filed against the Tenant, Tenant shall thereafter pay all future Rents, charges, late fees, legal fees and filing fees, all which shall be deemed to be Additional Rent by certified check, cashier's check or money order only, and Landlord shall not thereafter be obligated to accept any personal checks.

(E) Landlord is not obligated to accept Payment in cash.

No Agreement changing the nature of the occupancy herein to a monthly tenancy or to one from month-to-month shall be valid during the Term of the Lease or Lease Renewal, unless such Agreements shall be in writing and signed by the Landlord. This provision shall apply at all times during which the Tenant shall remain in possession of the Premises. Nothing herein contained, however, shall be construed to abridge or limit the right of the Landlord to possession of the Premises at the expiration of the Term hereof or at the expiration of any Renewal period. TIPS FOR RESIDENTS

It is our goal to maintain the highest quality living environment for our residents. To help achieve this goal, it is important to work together to minimize the potential for conditions that could lead to the growth of naturally occurring mold.

Residents can help minimize mold growth in their apartment homes by taking the following actions:

Open windows. Proper ventilation is essential. If it is not possible to open windows, run the fan on the apartment air-handling unit to circulate fresh air throughout your apartment. In damp or rainy weather conditions, keep windows and doors closed. If possible, maintain a temperature of between 50° and 70° Fahrenheit within your apartment at all times.

Clean and dust your apartment on a regular basis as required by your lease. Regular vacuuming, mopping, and use of environmentally safe household cleaners is important to remove household dirt and debris that contribute to mold growth. Periodically clean and dry the walls and floors around the sink, bathtub, shower, toilets, windows and patio doors, using a common household disinfecting cleaner. On a regular basis, wipe down and dry areas where moisture sometimes accumulates, like countertops, windows and windowsills. Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow fan to run until all excess moisture has vented from bathroom. Use the exhaust fans in your kitchen when cooking or while the dishwasher is running and allow the fan to run until all excess moisture has vented from the kitchen. Use care when watering houseplants. If spills occur, dry up excess water immediately. Ensure that your clothes dryer vent maintains a proper

Initials

Initials

connection, is operating properly and that the lint screen is cleaned after every use. When washing clothes in warm or hot water, watch to make sure condensation does not build up within the washer and dryer closet; if condensation does accumulate, dry with a fan or towel. Thoroughly dry any spills or pet urine on carpeting. If the property has a propensity to moisture and possible ground water that can lead to damp concrete floors on the ground floor units, it is advisable to use dry carpet cleaning methods. Do not overfill closets or storage areas. Ventilation is important in these spaces.

Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.

Immediately report to the management office any evidence of water leak or excessive moisture in your apartment, storage room, garage, or any common area.

Maintenance Guidelines and Tips

SUBMITTING MAINTENANCE REQUESTS: The easiest way to submit a maintenance request is to call the leasing office at 315-533-6405.

Weekend requests should be for **EMERGENCIES ONLY**. A 24-hour maintenance person is on call for emergencies that cannot wait until the next business day.

Remember, there are FEW EMERGENCIES. An emergency is a life-threatening situation or one that involves uncontrollable water, natural gas, or electrical sparking, fire, or complete loss of basic utility services.

- If you are in immediate danger, please call 911
- If you have a waterflood, call our office.
- Examples of non-emergency items include non-working appliances, non-working A/C, or parking issues.

TO REQUEST MAINTENANCE

Once you submit a maintenance request, the request is sent to the maintenance staff or outside technicians to address the issue. You do not need to be present while work is being completed on your unit but you are welcome to be there if you prefer.

Non-emergency requests are normally addressed within 5 business days. If you do not hear from the property manager or maintenance technician within 2 business days, please contact our office at 315-533-6405.

THINGS TO REMEMBER BEFORE YOU CALL MAINTENANCE

- **Oven issues** - If the oven does not work, check time-bake or cleaning to make sure

these settings are not preventing heating.

- Electrical Circuit Overload - If the electrical does not work in one part of the property, check with the GFCI (ground fault circuit interrupter) plug and push reset. If the circuit breakers keep going off unplug some items to make sure there is not an overload on the circuit. Make a habit of unplugging as many items as possible. This will also help lower your electric bill.

- Smoke Alarm - If a smoke alarm "tweets," replace the battery. If the battery replacement does not work, call our office and we will replace the smoke alarm. Remember, do not disconnect or remove a smoke alarm.

- Toilets - No paper products, No Wipes or others products should be flushed down the toilet.

Before you call maintenance, be sure to plunge your toilet and attempt to un-plug the clog. If your toilet is overflowing with water, or if you notice water around the base of the toilet, turn off the water valve at the bottom rear of the toilet. Please wipe up excess water. This will help prevent any further water damage to your bathroom floor then call for maintenance.

- Sinks and Tubs – Please DO NOT use Drano and other caustic cleaners to unclog your drains. These products are very harmful to both the plumbing and our technicians servicing your drains. First, try to clean out the drain; if the clog does not lessen, call maintenance. Please be sure to inform maintenance if you have used any of the drain unclogging products.

- Refrigerator – If your refrigerator goes out, be sure to keep the door tightly closed to prevent spoilage. Unplug refrigerator for two hours replug the refrigerator if it still doesn't work then Call Office for maintenance to have repairs done.

MAINTENANCE FREQUENTLY ASKED QUESTIONS

- Do I have to be present for maintenance work performed in my unit?

No, but you are more than welcome to observe. Many requests can be handled by our in-house staff and are usually resolved during normal business hours. If we can't handle it, we will call in an outside vendor and let you know when they are scheduled to arrive. Please note that if the situation is deemed to be a risk to the property or other units, we will access the apartment whether you are there or not.

- When can I expect non-emergency maintenance requests to be completed?

We will contact you within two business days regarding your request, will complete the

assessment of the situation, and will determine the next course of action. Because outside vendors and replacement parts may be needed, we may not be able to set a firm date for completion.

- Can I have work performed and then send the bill to you?

No. Unauthorized repairs will not be reimbursed. Should you wish to perform work in your apartment, contact our office first and we will let you know how to proceed.

- If a repair is not satisfactory, what should I do?

Please contact our office immediately so we may investigate the issue.

- Can I change the locks to the apartment?

Locks are changed before you move in. If for some reason they need to be changed again, please contact our office. This work must be done through Bloomfield Gardens Apartments LLC and the tenant will be billed the charges.

- Can I paint my apartment a different color?

In order to paint any walls in your apartment, you must first request and receive written authorization from us. If you are permitted to change paint colors, any changes must be restored to our building standard before you vacate the apartment.
