Your electric service is on at your new location. Remember to end service at your old address.

Special Reminders

Important

You can shop for an alternate supplier without impacting the quality of service. If you'd like more information about customer choice, please visit PAPowerSwitch.com. On the PAPowerSwitch website you have the ability to compare different offers and make an informed decision regarding your generation supplier.

Your Online Account

After your request has been received, this address will automatically be added to your online profile. Login for 24/7 account management to track the status of your request, manage your addresses, and more

Meter Access

Access to the electric meter is important, please [contact us](#) directly if you have any questions
