1. Lease Agreement. This Apartment Lease (the "Lease") is made and entered into between Centerspace LP ("Landlord"), and each individual listed above in the "Leaseholder" section of the Basic Terms (each, and collectively, "Leaseholder"), as of the date set forth below in Landlord's signature block. Landlord is either the owner of the Community, and/or the authorized managing agent of the Community. In consideration of the mutual covenants set forth in this Lease, Landlord leases the apartment unit identified above (the "Apartment") to Leaseholder, and Leaseholder leases the Apartment from Landlord. The Apartment shall be used only as a private residence, and for no other purpose. Leaseholder shall tender the Apartment deposit specified above (the "Apartment Deposit") on or before the date Leaseholder signs this Lease.

Authorized Manager and Landlord authorized to accept service of process and receive and give receipt for notice and demands:
Centerspace LP, Attn: Legal Department
800 LaSalle Plaza, Suite 1600, Minneapolis, Minnesota.

2. Subordination. Leaseholder agrees and acknowledges that this Lease is subordinate to any current, subsequent, or future mortgage placed on and secured by the property that is the subject of this lease and Leaseholders authorizes Landlord or the property Owner to execute on behalf of Leaseholder any and all documents necessary to subordinate this Lease.

3. No Oral Agreements. This Lease contains the entire agreement between the parties with respect to the leasing of the Apartment, and there are no oral agreements between the parties. Leaseholder acknowledges that Landlord has not made any oral promises or representations.

4. Occupants and Guests. The Apartment may only be occupied by Leaseholder and Leaseholders approved occupants, and not by any other individual without Landlord's prior written consent. For purposes of this Lease, "Occupant" shall mean any occupant of the Apartment that has been approved by Landlord, and "Guest" shall mean any guest or other invitee of either Leaseholder or an Occupant. Leaseholder is responsible for the acts and violations of any Occupant or Guest. If this Lease is violated by any Occupant or Guest, then Leaseholder will be deemed to have violated this Lease. Guests shall not stay in the Apartment for more than 10 consecutive days without Landlord's prior written consent.

5. Multiple Leaseholders. If this Lease has more than one Leaseholder, then each Leaseholder is jointly and severally responsible for paying all Rent and other sums due under this Lease. Leaseholder is jointly and severally responsible for all other obligations of the Leaseholder under this Lease. If this Lease is violated by any Leaseholder, Occupant, or Guest, then each Leaseholder will have violated this Lease. Landlord's notice to any individual Leaseholder shall constitute notice to each Leaseholder.

6. No Subleases; Assignment. Leaseholder shall not sublease its interest in this Lease. Any attempted sublease in violation of this Section is null and void and shall constitute a material breach of this Lease. Leaseholder shall not otherwise assign its interest in this Lease without Landlord's prior written consent, which consent Landlord may grant, withhold, or condition in its sole and absolute discretion. Any attempted assignment in violation of this Section is null and void and shall constitute a breach of this Lease.

7. Delay of Occupancy. Landlord is not responsible for any delay in Leaseholder's occupancy of the Apartment caused by construction or any necessary repairs or cleaning, or by the unlawful hold-over of the previous Leaseholder. In such event, this Lease shall remain in full force, subject to abatement of Rent on a daily basis during the delay. If Landlord cannot deliver possession of the Apartment by thirty days following the Lease Commencement Date, then Leaseholder may terminate this Lease after such date by providing a written termination notice to Landlord. Notwithstanding the foregoing, Rent shall not abate, and Leaseholder shall not be entitled to terminate this Lease if the delay is for cleaning or repairs that do not prevent Leaseholder from occupying the Apartment.

8. Lease Term; Automatic Renewal. The initial minimum term of the Lease is outlined as the Lease Term Dates defined above. This Lease will automatically renew on a month-to-month basis unless either party gives at least 60 days' written notice of termination or intent to move out at the end of the lease term. Any termination notice by Leaseholder pursuant to this Section shall comply with all the requirements of a "Move-Out Notice" that are set forth below. In the event the lease is renewed on a month-to-month basis, rent will be adjusted to current month-to-month rental rate.

9. Lease Changes. No rent increases or changes to the Lease shall occur before the initial Lease Termination Date, unless agreed to by both parties in writing, except for Landlord's reasonable changes to the Community Rules of the Lease, Addenda and/or the Resident Handbook. If this Lease automatically renews on a month-to-month basis, then Landlord may change any of the terms of this Lease,

including increasing Rent, as of the first calendar day following the initial lease termination date. The Lease will be deemed modified as of the specified date, without necessity of Leaseholder's signature, unless Leaseholder provides its termination notice.

10. Rent. Leaseholder shall pay to Landlord the Total Monthly Payment and all other charges set forth above in advance and without offset or deduction, commencing on the Lease Start Date, and continuing on the first day of each calendar month during the term of this Lease. Leaseholder shall pay all Rent to Landlord at such place and in such manner as Landlord may from time to time designate in writing. Leaseholder shall pay all Rent without Landlord's previous demand, invoice or notice for payment. Landlord and Leaseholder will prorate Rent, on a per diem basis, for any partial month within the term of the Lease. Leaseholder shall pay Rent electronically as set forth below. Leaseholder agrees to remit payment for the full balance due on the account, including rent and any additional charges. At Landlord's option, Landlord may apply money received from Leaseholder first to any of Leaseholder's unpaid obligations, and then to current Rent. Leaseholder's obligation to pay Rent is independent from any of Landlord's covenants, obligations, warranties or representations in this Lease and failure to pay Rent when due is deemed a material breach of this Lease. Leaseholder agrees and understands that the payment of rent is not proportional in any way to the use or availability of any community amenity of any kind, but for the use and occupancy of the Apartment identified above.

11. Utilities paid by Leaseholder. Leaseholder agrees to pay for all utilities, utility deposits, charges, fees, or service charges for all utilities monthly and will not allow utilities to be disconnected or service interrupted until the lease term or Leaseholder possession ends. Payments made may be applied to all outstanding balances before current balances. If any specific utilities are billed to Community and then divided and billed to Leaseholder, Landlord will attach a Utility Addendum to this Lease.

12. Electronic Fund Transfer; ACH Check Conversion. Unless otherwise agreed in writing, Leaseholder acknowledges that all Rent shall be paid by electronic fund transfer using ACH, Debit Card, Credit Card and/or Cash Payment Program. Leaseholder agrees to pay any fees associated with payment processing.

13. Delinquent Payments; Rejected/Returned Payment Fee. If Leaseholder does not pay Rent on or before the date listed above, then Leaseholder shall be in default under this Lease, and Leaseholder shall also pay Landlord a late fee based on the balance of the monthly unpaid rent, including pet, garage, storage, and other additional rental fees, as set forth above. A late fee must be included with the delinquent rent payment. Leaseholder acknowledges and agrees that said late fee is liquidated damages, is fair, and reasonable. Leaseholder shall also pay a fee for each returned check or rejected automatic electronic draft. The fee amount shall not exceed state restrictions for which the Community is located. Leaseholder accounts that receive 2 returned payments from any source will enter a probationary period and may have restricted payment methods.

14. Indemnity, Hold Harmless, and Attorneys' Fees. Leaseholder shall release, indemnify, defend, and hold harmless Landlord from and against all claims, actions, demands, liabilities, damages, costs, penalties, losses or expenses (including without limitation reasonable attorneys' fees) arising from: (a) any breach or default by Leaseholder in the performance of any of Leaseholder's covenants or agreements in this Lease; (b) any misconduct or negligent act or omission of Leaseholder, or of any Occupant or Guest; (c) any accident, injury, occurrence or damage in, about or to the Apartment; and (d) to the extent caused in whole or in part by Leaseholder (or by any Occupant or Guest), any accident, injury, occurrence or damage in, about or to the Community. Leaseholder acknowledges and agrees that if any federal, state, county, city or other municipality statute, ordinance, rule or case law provides that Leaseholder is entitled to recover their reasonable attorney's fees, costs and disbursement in any action Leaseholder is entitled to bring against Landlord or the Owner under any such statute, ordinance, rule or case law, then Landlord shall be entitled to recover its attorney's fees, costs and disbursements if it is the prevailing party in such action brought by Leaseholder under the same circumstances as Leaseholder. Separately, in the event the Landlord commences any legal action against the Leaseholder to enforce this Lease, including but not limited to an eviction action, the Leaseholder shall be responsible to pay the Landlord's hard costs in filing any such claim, including but not limited to court fees, service fees, writ fees, and sheriff fees, plus attorneys' fees up to \$1,500.00.

15. Notices. Unless otherwise provided by law, any and all notices to be delivered to Leaseholder pursuant to this Lease or otherwise shall be deemed delivered and received by Leaseholder when slid under the Apartment door, taped to the Apartment door, handed to any Leaseholder, emailed to any Leaseholder, texted to any Leaseholder, or mailed to any Leaseholder at the Apartment address by U.S. Mail or Certified Mail or mailed to any forwarding address provided by Leaseholder. Leaseholder shall provide and always maintain an updated email address and phone number with Landlord. Leaseholder shall also provide an emergency contact including name, address, email, and phone number to Landlord.

16. Renters Insurance. The Landlord's property and liability insurance does not protect Leaseholders, Occupants or Guests against any loss or damage to personal Property from any cause or cover any liability for loss or damage caused by Leaseholder's actions or

those of any Occupants or Guests. Leaseholder is liable to the Landlord and others for loss or damage caused by Leaseholder's actions or those of any Occupants or Guests. Leaseholder agrees to maintain, at Leaseholder's sole expense, during the Term of the Lease and any subsequent Leases, including month-to-month terms, a Renters Insurance policy satisfying all requirements set forth in this Section and Leaseholder agrees to provide accurate and current evidence of such Renters Insurance to Landlord. Leaseholder understands and agrees that Landlord may have a third-party assist Landlord in obtaining, reviewing, and performing certain Landlord evidence of the Renters Insurance. To ensure minimum protection against any such liability, Leaseholders are required to maintain an insurance policy with (a) an insurance company acceptable to Landlord, (b) minimum coverage of \$100,000 in personal liability insurance coverage, (c) inclusion of coverage for all Community damage and/or any bodily harm arising from or related to Leaseholder's or Occupants or Guests, (d) All leaseholders occupying the dwelling must be listed on the policy of record (e) "Additional Interest" listed as: Centerspace, LP, (f) policy change notifications delivered to the "Additional Interest" party. If Leaseholder fails to provide valid and approved proof of Renters Insurance to Landlord, or fails to maintain a valid and approved Renters Insurance policy, Leaseholder shall pay to Landlord, on a monthly basis or at any time no evidence of insurance is on file with the Landlord, a **"Renters Insurance Exemption/Non-Compliance Fee"** defined above. The Exemption Fee is a flat, non-prorated amount and shall be deemed to be additional Rent. The Exemption Fee is not insurance or a waiver of Leaseholder's liability for damages or injuries. Leaseholder acknowledges that Agents of Landlord are not insurance agents and cannot advise on this insurance requirement or where to obtain insurance. At Leaseholder's discretion and sole expense, Leaseholder may also purchase additional Renters Insurance which covers Leaseholder's personal property and belongings.

17. Parking. Landlord has the right to regulate the time, manner, and place of parking of all cars, trucks, motorcycles, bicycles, trailers, and recreational vehicles at the Community (collectively, "Vehicle"). Leaseholder has the right to use, in common with other Leaseholders and guests, any unrestricted parking areas located at the Community. Landlord has the right to designate the parking areas of the Community as either restricted or unrestricted. Neither Leaseholder (nor any Occupant or Guest) shall have any right to use any restricted parking area at the Community unless such right has been specifically granted to Leaseholder by a separate Parking Addendum to this Lease. Leaseholder assumes the risk of using such parking at the Community and Landlord is not responsible for any loss or theft of, or damage to, any vehicles (or the contents thereof) parked at the Community. Landlord has the right to have any unauthorized or illegally parked Vehicle towed or removed at the Vehicle owner's expense, without notice, and will not be liable for any resulting loss or damage to such Vehicle or personal property during or after the Vehicle is towed or removed. A Vehicle unauthorized or illegally parked include, but is not limited to, (a) a Vehicle with a flat tire, missing wheels, or up on blocks; (b) a Vehicle without a current license plate; (c) a Vehicle parked outside designated areas or in prohibited areas; (d) a Vehicle belonging to a former Leaseholder; or (e) a Vehicle owned by a Leaseholder, Occupant or Guest after Landlord or emergency personnel have given reasonable notice to move the Vehicle for emergency services, maintenance, or snow removal. Leaseholder agrees to use authorized parking or garage space for authorized vehicle(s) only and not to place or store other belongings of any kind for any amount of time. Leaseholder agrees that vehicle maintenance shall not be performed at the Community.

18. Safety; Emergency. Leaseholder (and each Occupant and Guest) shall exercise due care for their own safety and security, and for the safety and security of others, and shall immediately dial 911 to report any fire, smoke, suspected criminal activity, serious injury, or other emergency involving imminent harm or damage.

19. Detection Devices. Landlord shall furnish detection devices required by applicable law and will test said detection devices to see that they are in working order as of the Lease Commencement Date. Leaseholder acknowledges and agrees that it is the sole responsibility of Leaseholder to check and test all detection devices in the Apartment on a regular basis to confirm that the detection devices are operable and functioning properly. If a detection device is battery operated (or has a battery backup), then Leaseholder shall replace such batteries as necessary during the term of the Lease. Leaseholder shall immediately notify Landlord in writing if Leaseholder is unable to fulfill its obligation to test the detection devices and to replace batteries. Leaseholder shall not damage, alter, remove, or disable any detection devices in the Apartment or at the Community. Landlord is not liable for damages or injury caused by (a) Leaseholder's failure to test the detection devices, (b) Leaseholder's failure to notify Landlord of any malfunctioning or inoperable detection devices, (c) theft of or vandalism to any detection devices (or batteries), or (d) any false alarms. Leaseholder agrees that if any detection devices are found to be missing during Leaseholder's tenancy or at the move out inspections, Leaseholder will be charged for the time and materials for purchasing and installing such missing device. Landlord may provide technology and detection devices to enable Resident to have a "smart apartment," including but not limited to, appliances, hub, door locks, smart switch(s), and thermostats and other technology that may become available at the Community. It is anticipated that the technology and detection devices will be provided by a third-party provider ("Provider"). Resident expressly consents to (a) Landlord providing to Provider, data concerning Resident (including certain personally identifiable data, including name, email, and unit number), and (b) Provider's collection, control, maintenance, storage, processing, transmittal and use of Resident information and data collected through the Provider's associated website and/or app for purposes consistent with providing the technology to Resident.

20. Landlord Not Liable. Landlord is not liable to Leaseholder (or to any Occupant or Guest) for personal injury, property damage, or property loss from any cause, including without limitation from fire, smoke, rain, flood, water leaks, hail, ice, snow, lightning, wind, explosions, utility stoppage or interruption, gas leaks, theft, or vandalism. Landlord is not liable to Leaseholder (or to any Occupant or Guest) for injury, property damage, or property loss resulting from the criminal, willful, or negligent acts or omissions of other persons. Leaseholder acknowledges that Landlord is not obligated to furnish security personnel, security lighting, gates, fences, or any other form of security for the Community, and that Landlord is not obligated to obtain criminal history checks on any Leaseholders, vendors, or contractors at the Community. If Landlord does choose to implement any security measures at the Community, then Leaseholder acknowledges and agrees that any such measures do not constitute an express or implied warranty of security, or a guarantee to prevent or reduce crime. Leaseholder acknowledges and agrees that due to weather conditions, it is not always possible for the Landlord to clear, or immediately clear, walkways or other areas that are changed or impacted by the weather or other natural acts. Leaseholder will use all reasonable caution for these common hazards while on the Community premises and be solely responsible for the failure to take such reasonable caution.

21. Destroyed or Uninhabitable Premises. If the Apartment is destroyed, or so damaged as to be unfit for occupancy, due to fire or any other casualty or cause, regardless of who or what caused the damage, then Landlord may elect to terminate this Lease by giving Leaseholder written notice of such election. In such event this Lease shall terminate as of the date that Landlord delivers the written notice to Leaseholder.

22. Condition of Apartment; Landlord Maintenance. Landlord covenants that the Apartment is habitable and fit for use as a private residence as intended by the parties. Leaseholder accepts the apartment and fixtures as is and acknowledges that neither Landlord nor any agent or employee of Landlord has made any representation or warranty of any kind with respect to the Apartment or the Community under provisions of the Lease Agreement. Landlord disclaims all implied warranties. Leaseholder will receive an Inspection Checklist from Landlord on or before the Lease Commencement Date. If Leaseholder does not complete and sign the form, asserting any defects or damage to the Apartment, and if Leaseholder does not return the form to Landlord on or before the second day following the Lease Commencement Date, then everything in the Apartment will be deemed to be in clean, safe, and good working condition. Landlord shall maintain the Apartment (including the structure, electrical, plumbing and heating systems) in reasonable repair and in compliance with applicable health and safety laws. If Leaseholder caused any damage to the Premises either through intentional or unintentional conduct or contributed to such damage by failing to report it or not promptly reporting it, Leaseholder must pay the cost of repair. Leaseholder will receive an Inspection Checklist from Landlord. Leaseholder will receive notice of a move-out inspection.

23. Leaseholder Maintenance; No Alterations; Light Bulbs; Trash; Water Leaks. Unless authorized by Landlord in writing, Leaseholder **shall not:** (a) paint, wallpaper, apply stickers, or carpet/tile/other products the walls, ceiling, doors or floors of the Apartment, (b) make any holes in the walls, ceiling, doors or floors of the Apartment (except for a reasonable number of small nail holes in sheet-rock walls for hanging pictures), (c) install any extra phone, cable, internet, electric or other outlets (or move any existing outlets), (d) change or install any locks or security systems, (e) install a satellite dish, (f) place trash outside of their apartment door, or (g) otherwise alter or damage the Apartment, or otherwise alter, damage, or remove any of Landlord's property in the Apartment (including without limitation appliances, security/alarm/detection devices, and screens). Leaseholder must use customary diligence in maintaining the apartment and will not litter or damage common areas. Light fixtures provided by Landlord will have operating light bulbs on the Lease Commencement Date. Leaseholder **shall:** (a) replace such bulbs as necessary during the term of the Lease with bulbs of the same type and wattage; (b) keep the Apartment clean, and dispose of trash on at least a weekly basis; (c) immediately clean any spills or leaks and dry the affected area; (d) use exhaust fans in the kitchen when cooking and in the bathroom when running water; (e) take all reasonable precautions to keep the pipes from freezing in the cold weather months by keeping the Apartment at 60 degrees Fahrenheit or warmer; and (f) promptly notify Landlord of anything that is defective or broken on the premises. Leaseholder shall immediately notify Landlord of any water leak, excess moisture, water staining or mold growth in the Apartment. Leaseholder agrees to pay the actual costs, including for Landlord's staff time, incurred in assessing or mitigating any damages incurred due to failure of Leaseholder to immediately notify Landlord of such water, excess moisture, water staining or mold growth. If any such water, excess moisture, water staining or mold growth issues are determined by the Landlord to be caused by Leaseholder, Occupant or Guest, Leaseholder agrees to pay for all costs of mitigation and repairs arising from or related to such cause. Any failure to comply with this section shall be considered a material breach of the Lease and subject to additional fines.

24. Mold and Mildew. Mold is naturally occurring and found everywhere indoors and outdoors in our environment in all structures, new or old. Leaseholder agrees to maintain a proper climate-controlled environment to avoid mold or mildew growth including keeping moisture and air moisture levels low especially in bathrooms and kitchens and around windows. Leaseholder agrees to keep the unit in a clean and clutter free condition by cleaning and dusting in the apartment regularly including specifically bathrooms and kitchens and to remove visible water and moisture build up in those areas and on windows, walls, counters, floors, and other surfaces upon notice of

such. All HVAC systems including ducts, grates, and vents must be clear and not blocked by furniture, boxes, or other items. Leaseholder must report to Landlord immediately any evidence of a water leak or excessive moisture buildup anywhere in the apartment, garage areas, halls, closets, or common areas, any breakdown of the HVAC systems, any evidence of mold or mildew looking growths that will not clean up with household cleaners or that reappears after cleaning. Leaseholder's failure to comply with this mold and mildew paragraph will result in Landlord having no responsibility to Leaseholder for any damage to property, health or otherwise.

25. Pests. Leaseholder shall take all reasonable precautions to keep the Apartment free from all pests (e.g., rodents, bedbugs, mites, and other insects). If any such pests are present in the Community, Leaseholder acknowledges that there are some treatments for pest infestations that may require the professional treatment or disposal of some or all personal property located in the Apartment. Leaseholder agrees to comply with the instructions of the pest control professional and Landlord for the treatment of the Apartment and other areas of the building by moving, removing, disposing or treating of some or all personal property in the Apartment, as instructed by the Pest Control Professional, and within the time frame given to do so for the recommended treatment. Landlord will not be financially responsible or liable for any personal property of Leaseholder or any other person, and will not reimburse any person for the replacement of any personal property that must be moved, removed, disposed of, or treated. If Leaseholder is the source of the infestation or if Leaseholder fails to notify Landlord of an infestation that subsequently spreads, or if Leaseholder refuses to permit reasonable pest control efforts, then Leaseholder shall be liable for the cost of the treatment, including treatment of other apartments or common areas. Any monthly pest control charges included as part of the Utility Addendum are separate from the responsibility for payment of specific treatments or remedies as outlined in this Section.

26. Reporting Repairs. Leaseholder shall promptly notify Landlord of any (a) malfunctioning or inoperable security, alarm or detection devices, (b) malfunctioning water fixtures, clogged drains, clogged water/sewer lines, or water leaks or stains, (c) broken or missing locks, latches, windows, or screens, (d) electrical problems, (e) malfunctioning appliances, (f) any excess moisture, (g) mold (or suspected mold) growth, or (h) any other condition that poses a potential hazard to property, health, or safety. Landlord will act with customary and reasonable diligence to make necessary repairs. Landlord may turn off equipment and interrupt utilities if necessary to avoid property damage or to perform work, Landlord will make reasonable effort to provide notice of interruptions, but such notice may not be feasible in urgent or emergency situations.

27. Entry by Landlord. The Landlord, including any vendors or agents, may enter the Leaseholder's unit for any reasonable business purpose and after making a good faith effort to give the Leaseholder reasonable notice of the intent to enter, at least 24 hours in advance of the anticipated entry. The Landlord's notice shall specify a reasonable window of time of entry between the hours of 8:00 a.m. and 8:00 p.m. The Landlord and Leaseholder may agree, through work orders or other communications, that the Landlord may enter with less than 24 hours' notice and/or that entry outside the hours of 8:00 a.m. and 8:00 p.m. is acceptable. None of these notice requirements apply when the Landlord reasonably suspects that immediate entry is necessary to: (a) prevent injury to persons or property because of conditions relating to maintenance, building security, or law enforcement; (b) determine the Leaseholder's safety; or (c) in order to comply with local ordinances regarding unlawful activity occurring within the premises. In such cases, immediately entry, without prior notice, may be necessary to take appropriate action.

28. Community Rules. Leaseholder (and each Occupant and Guest) shall comply with the community rules for the Community (the "Community Rules"), and with any reasonable additions or modifications to the Community Rules that Landlord adopts from time to time, as outlined in the Resident Handbook, which has been provided electronically to Leaseholder and becomes an addendum to this Lease Agreement. Leaseholder has access to the electronic Resident Handbook through the Resident Portal; a hardcopy may be requested from the Landlord. Each Community Rule and the Resident Handbook shall be deemed a covenant of this Lease to be performed and observed by Leaseholder. In the event of any conflict between the Community Rules or Resident Handbook and the rest of this Lease, the Lease shall control. Leaseholder agrees and understands that they shall be deemed responsible for any violation of the Community Rules or Resident Handbook by any guest of any Leaseholder.

29. Package Release. Leaseholder gives Landlord and its agents permission to sign for and accept any parcels or letters that may be sent to Leaseholder, whether anticipated or unanticipated, through the United States Postal Service, or other delivery services. Leaseholder agrees to release and waives all claims against Landlord for loss or damage to any package accepted by Landlord on behalf of Leaseholder and covenants not to sue landlord or claim damages for any such loss. However, Landlord is not obligated to accept any packages on behalf of Leaseholder and may refuse to do the same.

30. Prohibited Conduct. While on or near the premises, no Leaseholder, Occupant, or Guest may: behave in a loud, disruptive, or obnoxious manner; disturb or threaten the rights, comfort, health, or safety of others (including Landlord's employees and agents) and including conduct that interferes in others' rights to not be subjected to illegal discrimination on the basis of a protected class; interfere

in the Landlord's operation of the Community; manufacture, deliver, sell or possess a controlled substance or drug paraphernalia; engage in or threaten violence; possess a weapon prohibited by applicable law; discharge a firearm at the Community; engage in any criminal or illegal conduct; display or brandish a weapon at the Community in a way that may alarm others; tamper with any utilities; clog or plug any drains, water lines, or sewer lines at the Community; bring, keep, or use hazardous materials at the Community; use windows for entry or exit; damage or disable any security, alarm, or detection device; damage or disable any fire sprinkler heads or pipes; use a waterbed or other water-filled furniture in the Apartment; solicit business or contributions at the Community; or conduct any kind of business (including child care services) in or from the Apartment. While anywhere off the premises, no Leaseholder may commit a crime of violence against another resident, another resident's guest, or any agent of the Landlord. The Landlord may trespass from the Community any Guest who, in Landlord's judgment, has violated the law, violated this Lease (including any of the Community Rules), disturbed any Leaseholder, Guest, Occupant, or neighbor, or who refuses to show photo identification and identify themselves as a Leaseholder, Occupant, or Guest. It is a violation of this Lease to permit a trespassed person onto the premises.

31. No Smoking. This is a smoke-free Community. No smoking of any kind is allowed in the Apartment (including any balcony, deck, or patio). No smoking is allowed elsewhere at the Community including all common areas and amenity spaces except in such designated smoking areas that Landlord may (but is not obligated to) designate in the Community Rules. This includes cigarettes, cigars, e-cigarettes, vaporizers, candles, incense, and anything else that may produce smoke. Smoking in the apartment or Community will be deemed a material breach of this lease. Violations of the smoke free addendum may result in a fine and or termination of the lease.

32. Animals. No animals (including without limitation mammals, reptiles, birds, fish, rodents, amphibians, arachnids, and insects) are allowed, even temporarily, in the Apartment or otherwise at the Community without Landlord's prior written consent. If Landlord allows Leaseholder to have an animal in the Apartment, then Leaseholder shall first sign a separate Animal Addendum to this Lease and tender the Animal Deposit specified in the Animal Addendum ("Animal Deposit"). Pursuant to the Fair Housing Act and HUD regulatory guidelines, support and/or service animals for the Leaseholder and/or Occupant may be authorized. Landlord may require a written statement from a certified professional verifying the need for the support and/or service animal. Leaseholder is responsible and shall be held strictly liable for any damage or injuries caused by any animal brought onto the Community or apartment by a Leaseholder, Guest, or Occupant, regardless of whether such animal is authorized or not. Leaseholder shall reimburse Landlord for all costs and expenses associated with extra cleaning, deodorizing, removing insects, and carpet shampooing at the Community or in the Apartment. Leaseholder shall also reimburse Landlord for the replacement cost of anything that cannot be cleaned to Landlord's reasonable satisfaction. Unauthorized animals are considered a breach of this Lease Agreement.

33. Default by Leaseholder. Leaseholder shall be in default under this Lease if: (a) Leaseholder fails to move into the Apartment after signing this Lease; (b) Leaseholder does not pay Rent or other amounts owed under this Lease when due and on time; (c) Leaseholder (or any Occupant or Guest) violates this Lease or any attached Addenda (including any of the Community Rules); (d) Leaseholder abandons the Apartment; or there are any misrepresentations or omissions in any rental application, or other information provided to Landlord by or on behalf of Leaseholder, in connection with Leaseholder's negotiation or execution of this Lease, or in connection with Landlord's evaluation of Leaseholder as a prospective Leaseholder.

34. Remedies. Upon the occurrence of any default by Leaseholder, Landlord may exercise any one or more of the following remedies:

- a) **Termination of Right to Possession.** Terminate Leaseholder's right to possess the Apartment by any lawful means (with or without terminating the Lease), in which event Leaseholder will immediately surrender possession of the Apartment to Landlord in the condition required by this Lease. Landlord's termination of Leaseholder's right to possess the Apartment does not terminate Leaseholder's obligations and liabilities under this Lease. This Lease shall continue in full force and effect (except for Leaseholder's right to possess the Apartment) and Leaseholder shall continue to be obligated for and must pay all Rent as and when due under this Lease.
- b) **Non-Renewal of Lease Agreement.** Landlord has the right to terminate the lease effective the Lease End Date of the current Lease Term by providing the Leaseholder a written notice to vacate. Notice of Non-Renewal does not terminate Leaseholder's obligations and liabilities under this Lease.

35. No Waiver. Landlord's exercise of any available right or remedy shall not prevent Landlord from exercising any other available right or remedy. A failure by Landlord to insist upon Leaseholder's performance of any of the terms or obligations of this Lease, or to exercise any right or remedy upon a breach thereof, shall not constitute a waiver of any such breach or any other breach or default by Leaseholder in its performance of its obligations under this Lease. Landlord's acceptance of full or partial Rent or other amounts from Leaseholder (or from any third party) during the continuance of any breach or default by Leaseholder under this Lease (a) shall not

constitute Landlord's waiver of any such past, present or future breach or default, and (b) shall not constitute Landlord's waiver of Landlord's right to recover possession of the Apartment for non-payment by Leaseholder of the balance of Rent owed by Leaseholder to Landlord. A partial payment accepted by management after the commencement of an eviction action does not waive management's right to recover possession of the premises or any additional amounts owed.

36. Move-Out Notice. Before moving out of the Apartment, Leaseholder shall give Landlord written notice (the "Move-out Notice"). The Move-out Notice shall comply with each of the following: (a) the Move-out Notice must be in writing and must identify a specific move-out date; (b) Leaseholder must deliver the Move-out Notice to Landlord at least 60 days prior to Lease Termination Date; (c) Leaseholder must obtain from Landlord written acknowledgement that Landlord received the Move-out Notice; and (d) Landlord's acceptance of a Move-out Notice from Leaseholder will not release Leaseholder from any liability or obligation under the Lease. Leaseholder may be subject to additional fees for moving out earlier than a Move-out Notice or lease expiration date. If the remaining time period is less than two calendar months, the fee will equal the remaining time period of the lease term. **Initial:** JJ

37. Military Orders. Leaseholder may terminate the lease early if there is a need to relocate based on active-duty orders. If a lease was signed before active-duty orders were in place and the Leaseholder will be on order for at least 90 days, a 30-day advance written notice to vacate may be accepted. A copy of the orders is required to be submitted with the written notice to vacate. If a lease begins after orders to be active duty started, the lease can terminate with a 30-day written notice if the Leaseholder will be deployed for more than 90 days. No additional termination fees will be required. Rent, utilities, and other fees will still be payable as normal during the notice period.

38. Early Lease Termination. Leaseholder may choose to pay a flat fee to terminate the lease early. To exercise this option, Leaseholder must: 1) provide written 60-day notice stating that Leaseholder has elected to exercise this option; 2) pay an Early Termination Fee in the amount equal to two months' rent (to include rent and any additional monthly lease charges such as animal rent, parking, storage, etc.); and 3) reimburse all concessions as provided in any concession agreement executed by the Parties. The Early Termination Fee will be due to Landlord upon submission of the 60-day notice for any early lease termination to be accepted. Leaseholder may be subject to additional fees for moving out earlier than the agreed upon move-out date stated on the notice of intention to vacate. These fees will be in addition to the Early Termination Fee. If this occurs, Leaseholder will be responsible for the rent owed and this will be charged as a fee upon receipt of keys/possession.

39. Move-Out Procedures.

- a) **Vacating.** Before moving out, proper written notice of intent to vacate must be given, as outlined above. Leaseholder shall vacate the Apartment at the Lease Term Expiration or as indicated on the written notice to vacate. If Leaseholder fails to vacate the Apartment on the date agreed upon, then Leaseholder shall be liable to Landlord for all resulting damages and losses (including without limitation loss of rent and other consequential damages). Vacating prior to the Lease Term Expiration date does not waive the Leaseholders obligations as outlined in the Lease.
- b) **Surrender; Cleaning.** Leaseholder shall surrender the Apartment to Landlord in good order, condition, and repair (reasonable wear and tear excepted). Keys and access devices will be surrendered upon vacating the Apartment. Leaseholder shall thoroughly clean the Apartment, including without limitation all walls, floors, doors, windows, window coverings, bathrooms, kitchen appliances, light fixtures, and balconies. All carpets shall be cleaned and deodorized by an approved professional carpet cleaning service; receipt of completed service must be provided to Landlord. Use of steam or other rental floor cleaners does not satisfy this requirement and may result in additional charges. If the Apartment is not cleaned to Landlord's reasonable satisfaction, then Leaseholder shall be liable for reasonable cleaning charges.
- c) **Move-Out Inspection.** Whenever reasonably possible, Leaseholder and Landlord shall jointly inspect the Apartment. Any statements or estimates by Landlord during a move-out inspection are subject to correction or modification by Landlord before any final accounting and potential refund of the Apartment Deposit. If Leaseholder refuses or declines to jointly inspect the Apartment with Landlord, then Landlord may conduct the move-out inspection without Leaseholder present.
- d) **Charges.** Leaseholder shall be liable for the following nonexclusive charges and costs, if applicable: unpaid Rent; unpaid utilities; repairs for damage caused by negligence, carelessness, accident, or abuse (including without limitation scratches, tears, burns, stains, broken blinds, doors, appliances or unapproved holes); replacement of missing property; costs associated with unreturned keys or access devices; missing or inoperable light bulbs; removing or replacing unauthorized security devices;

removing illegally parked vehicles; and any other sums, charges, or fees owed to Landlord pursuant to this Lease or applicable law.

- e) **Apartment Deposit and Animal Deposit.** Leaseholder shall give Landlord and the United States Postal Service, in writing, a valid forwarding address for each Leaseholder. Landlord shall tender the Apartment Deposit and Animal Deposit, less any lawful deductions, along with an itemized accounting of any such deductions, to Leaseholder in the form of one check in accordance with applicable law. Landlord may apply the Apartment Deposit and Animal Deposit to any amount owed upon termination or expiration of the Lease.

40. Abandoned Personal Property. Landlord may remove all property remaining in the Apartment or in common areas (including any vehicles) ("Abandoned Property"). Landlord may (but is not obligated to) pack, remove, and/or store any Abandoned Property. Leaseholder shall reimburse Landlord for all costs and expenses incurred by Landlord in packing, removing, and storing any Abandoned Property. Provided that Landlord disposes of such property in accordance with all applicable law, Landlord may discard, give away, or sell any Abandoned Property. Landlord is not liable to Leaseholder for the loss, damage, or theft of Abandoned Property.

41. Disclosure Rights. Leaseholder agrees that Landlord may, as allowed by law, provide or otherwise disclose information regarding Leaseholder, Leaseholder's occupancy of the Apartment, or Leaseholder's rental history to: (a) any law enforcement official; (b) any other government official or entity; (c) any credit-reporting agency; and (d) any Guarantor of this Lease. Leaseholder consents to allow any utility provider to furnish any information requested by Landlord about pending or actual utility connections or disconnections to, or any utility billings related to Leaseholder's occupancy of, the Apartment.

42. Miscellaneous. If any covenant, provision, or other portion of this Lease is held invalid or unenforceable, then the remaining portion thereof shall not be affected by such holding and will remain valid and in force to the fullest extent permitted by law. If this Lease is subject to any law that sets a maximum fee, and if that law is finally interpreted so that any fee collected or to be collected in connection with this Lease exceeds the permitted limits, then any such fee shall be reduced by the amount necessary to reduce the fee to the permitted limit, and any fees already collected from Leaseholder that exceed the permitted limit shall be refunded to Leaseholder. This Lease is subject to and subordinate to any existing or future mortgages on the Community unless Landlord's lender chooses otherwise. All of Leaseholder's obligations under this Lease accruing prior to the expiration or other termination of this Lease shall survive the expiration or other termination of this Lease.

43. Signatures and Attachments. This Lease may be executed in multiple originals, each with original signatures. The Parties agree that this Lease may be executed electronically or by traditional wet signature at Landlord's sole discretion. Electronic signatures shall be deemed original signatures for purposes of this Lease and all matters related thereto, with such scanned and electronic signatures having the same legal effect as original signatures. An electronic copy of the lease is accessible in the Resident Portal. Landlord may provide a notice of violation by personal delivery, by posting on the entry door to the Apartment, by email, or by any other method resulting in actual notice to Leaseholder. 9. Landlord's Removal of Animal. Landlord may immediately enter the Apartment and remove the Animal if Landlord reasonably determines in good faith that: (a) the Animal has been abandoned; (b) the Animal has been left without food or water for more than 3 consecutive days; (c) the Animal is sick or injured and requires medical attention; or (d) Leaseholder has failed to timely and permanently remove the Animal from the Community after Leaseholder's receipt of a Removal Notice. Leaseholder shall reimburse Landlord for all costs and expenses incurred by Landlord in removing, kenneling, or otherwise caring for a removed Animal.

10. Move-Out. Upon the expiration or earlier termination of the Lease, and in addition to all of Leaseholder's other cleaning and repair obligations under the Lease, Leaseholder shall use a vendor approved by Landlord to deodorize the Apartment, and a vendor approved by Landlord to ensure that all insects and/or pests have been removed from the Apartment or reimburse the Landlord for the costs associated with these services. Leaseholder shall reimburse Landlord for the replacement cost of anything in the Apartment that cannot be cleaned or deodorized to Landlord's reasonable satisfaction.

11. Multiple Leaseholders. Each Leaseholder is jointly and severally liable for damages and for all other obligations set forth in this Addendum, regardless of whether Leaseholder owns the Animal. Each Leaseholder, Occupant, and Guest shall comply with this

Addendum. If any Leaseholder, Occupant, or Guest violates this Addendum, then each and every Leaseholder will have violated this Addendum.

12. General. This Addendum is integrated into and made a part of the Lease. Except as specifically otherwise provided herein, all other terms and conditions of the Lease, as hereby amended, are ratified and confirmed and shall remain unchanged and in full force and effect. 2. **Definition of Smoking.** Inhaling, exhaling, breathing, or carrying any lighted cigar, cigarette, or other tobacco product or similar lighted product of any substance or form. This also includes e-cigarettes, vapes and electronic smoking mechanisms.
3. **Smoke-Free Community.** Leaseholder agrees and acknowledges that the premises to be occupied by Leaseholder and members of Leaseholder's household have been designated as a smoke-free living environment. Leaseholder and members of Leaseholder's household shall not smoke anywhere in the unit rented by Leaseholder including balcony or patio spaces, or the building where the Leaseholder's dwelling is located or in any of the common areas or adjoining grounds of such building or other parts of the rental community, nor shall Leaseholder permit any guests or visitors under the control of Leaseholder to do so. It is the responsibility of the Leaseholders to inform any guests of the smoke free policy of the Community.
4. **Leaseholder to Promote No-Smoking Policy and to Alert Landlord of Violations.** Leaseholder shall inform Leaseholder's guests of the no-smoking policy. Further, Leaseholder shall promptly give Landlord a written statement of any incident where tobacco smoke is migrating into the Leaseholder's unit from sources outside of the Leaseholder's apartment unit.
5. **Landlord Not a Guarantor of Smoke-Free Environment.** Leaseholder acknowledges that Landlord's adoption of a smoke-free living environment, and the efforts to designate the rental community as smoke-free, do not make the Landlord or any of its managing agents the guarantor of Leaseholder's health or of the smoke-free condition of the Leaseholder's unit and the common areas. However, Landlord shall take reasonable steps to enforce the smoke-free terms of its leases and to make the community smoke-free. Landlord is not required to take steps in response to smoking unless Landlord knows of said smoking or has been given written notice of said smoking.
6. **Effect of Breach and Right to Terminate Lease.** A breach of this Addendum shall be a material breach of the lease and grounds for immediate termination of the Lease by the Landlord.
7. **Violations.** In Landlord's sole discretion based on the circumstances involved, Landlord may, in lieu of immediate eviction, charge Leaseholder a fine for violating this addendum. Multiple instances of this may result in lease termination or eviction.
8. **Disclaimer by Landlord.** Leaseholder acknowledges that Landlord's adoption of a smoke-free living environment, and the efforts to designate the rental community as smoke-free, does not in any way change the standard of care that the Landlord or managing agent would have to a Leaseholder household to render buildings and premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. Landlord specifically disclaims any implied or express warranties that the building, common areas, or Leaseholder's premises will have any higher or improved air quality standards than any other rental community. Landlord cannot and does not warranty or promise that the rental premises or common areas will be free from secondhand smoke. Leaseholder acknowledges that Landlord's ability to police, monitor, or enforce the agreements of this Addendum is dependent in significant part on voluntary compliance by Leaseholder and Leaseholder's guests. Leaseholders with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that Landlord does not assume any higher duty of care to enforce this Addendum than any other Landlord obligation under the Lease.
9. **Multiple Leaseholders.** Each Leaseholder is jointly and severally liable for all obligations set forth in this Addendum. Each Leaseholder, Occupant, and Guest shall comply with this Addendum. If any Leaseholder, Occupant, or Guest violates this Addendum, then each and every Leaseholder will have violated this Addendum.

By signing this document, I acknowledge that I have read and understand this legally binding agreement in its entirety (lease and applicable addenda). I agree to comply with the terms thereof. I understand that any violations of the terms constitutes a breach of the agreement and may result in eviction from the apartment. A copy of the executed agreement has been provided by Landlord.
