ROOM NIGHT MINIMUM AND ROOM NIGHT PRODUCTION REVIEW

The Corporate Rates quoted are contingent on a minimum of 10 revenue-producing room nights occupied by the Account during the Initial Term and during any subsequent Renewal Term (the "**Room Minimum**"). By signing this Agreement, Hotel is relying on, and Account is agreeing to provide, the Room Minimum. Should the Account's actualized room nights fall below the Room Minimum, the Account may no longer qualify for a volume discount and Hotel may either adjust the Corporate Rates or terminate this Agreement.

INVOICING

Hotel shall be responsible for producing a detailed invoice to Account. Account is responsible for paying this invoice by due date. Payments will be made in ACH form (electronically).

Hotel will honor the **Corporate Rates** to KFIS employees that wish to rent directly to the Hotel. Individual employees will be responsible for their own rental agreements and shall be responsible for all charges incurred during their hotel stay, including guest room, tax, and incidental charges.

CONFIDENTIALITY

Account and Hotel agree to keep the terms of this Agreement, including the Corporate Rates ("**Confidential Information**"), confidential and not to disclose such information to any third party without the consent of Account and/or Hotel. If Account and/or Hotel is required by law to disclose any Confidential Information, the Account and/or Hotel shall (to the extent legally permissible) promptly notify Account and/or Hotel and allow Account and/or Hotel to oppose such process.
