The Tenant has inspected and acknowledges that all locks and smoke detectors are in working order. Any provided fire extinguishers, security alarm systems, and/or carbon monoxide detectors have also been inspected by the Tenant and are in sound working order. Tenant understands that although the Landlord makes every effort to make the Leased Premises safe and secure, this in no way creates a promise of security.

1.23 RIGHT OF ENTRY

Pursuant to **Wis. Stat. § 704.05(2)**, Landlord and/or Landlord's authorized agents may enter the Leased Premises at reasonable times upon at least **twelve (12) hours' advance notice**, which may be provided by written notice, email, or text message, for the purpose of inspection, maintenance, repairs, improvements, or to show the premises to prospective tenants, purchasers, lenders, or contractors.

In the event of an **emergency** or where entry is otherwise permitted by law, Landlord and/or Landlord's agents may enter the Leased Premises **without prior notice**.

Tenant acknowledges that Landlord must maintain a working set of keys and/or access codes to the Leased Premises at all times in order to exercise lawful rights of entry as permitted under this Lease and Wisconsin law.

Tenant shall not change, alter, or install any locks, bolts, or security devices without the **prior written consent of Landlord**. Any unauthorized lock or security device may be removed or replaced by Landlord at Tenant's expense.

Tenant shall be responsible for any damages resulting from delayed or forcible entry caused by unauthorized locks or security devices installed by Tenant, including damage occurring during an emergency entry.

1.24 NOTICES

All notices from Tenant shall be directed to the **Property Manager** using the contact information provided by Landlord or through the resident portal. A notice shall be deemed received when actually received by the Property Manager or when confirmed through the resident portal system.

Upon receipt of a Tenant's notice, the Property Manager may provide Tenant with any additional instructions or actions required under this Lease or applicable law, including procedures related to move-out, inspections, or key return.

Nothing in this section limits either party's right to provide notice in any manner permitted or required by **Wisconsin law**.

1.25 ABANDONMENT:

If Tenant vacates or abandons the Leased Premises prior to the expiration of the Lease term or any renewal thereof **without written authorization from Landlord or without complying with the early termination provisions of this Lease**, such action shall constitute a **default** under this Lease.

If Tenant fails to follow the required move-out procedures, including but not limited to providing proper notice, returning keys or access devices, or vacating the Leased Premises in accordance with this Lease, Tenant shall be responsible for **actual and reasonable damages and losses** incurred by Landlord as permitted under **federal, state, and local law**, including Wisconsin law.

Nothing in this section waives or limits Landlord's **duty to mitigate damages** as required by **Wis. Stat. § 704.29**, nor does it impose liability beyond what is permitted by law.

1.26 LANDLORD REMEDIES:

A failure by either Landlord or Tenant to substantially comply with any **material provision** of this Lease constitutes a **breach** of the Lease.

Tenant Default – First Violation

If Tenant violates a material term of this Lease, Landlord shall provide Tenant with a **written Five-Day Notice to Cure or Vacate**, as permitted under **Wis. Stat. § 704.17(2)(a)**. The notice shall require Tenant, on or before five (5) days after receipt of the notice, to either:

1. **Remedy (cure) the violation**, or
2. **Vacate the Leased Premises**.

If Tenant fails to timely cure the violation or vacate, Landlord may terminate the tenancy and commence eviction proceedings in accordance with Wisconsin law.

Tenant Default – Subsequent Violation

If Tenant cures a violation or is otherwise permitted to remain in possession, and **within twelve (12) months** commits the **same violation or any other material breach** of this Lease, Landlord may terminate the tenancy by serving a **Fourteen-Day Notice to Vacate**, without the right to cure, pursuant to **Wis. Stat. § 704.17(2)(b)**.

Legal Proceedings and Damages

Upon lawful termination of the tenancy, Landlord may pursue all remedies permitted under **Wisconsin law**, including eviction and recovery of **rent and other lawful charges accrued through the date of termination**, together with any **actual damages** resulting from Tenant's default. Nothing in this Lease waives Landlord's **statutory duty to mitigate damages** under **Wis. Stat. § 704.29**.

Landlord Default

If Landlord materially breaches this Lease or violates applicable law, Tenant shall have all rights and remedies available under **Wisconsin statutes**, including **Wis. Stat. ch. 704**, and **Wisconsin Administrative Code ch. ATCP 134**.

1.27 SUBORDINATION:

This Lease is and shall be **subject and subordinate** to any existing or future **mortgage, deed of trust, financing agreement, loan, lease, ground lease, or other arrangement** affecting the building or land on which the Leased Premises are located, including any renewals, modifications, extensions, or replacements thereof.

Tenant agrees that this Lease shall be subordinate to such interests **without the need for further action**, provided that Tenant's rights of possession are not disturbed so long as Tenant is not in default under this Lease. Tenant agrees, upon request, to execute any reasonable documents required to evidence such subordination.

Nothing in this section shall be construed to deprive Tenant of possession of the Leased Premises so long as Tenant is in compliance with the terms of this Lease.

1.28 CONDEMNATION:

If **all or a substantial portion** of the Leased Premises is taken by any governmental or other authority having the power of eminent domain, so as to render the Leased Premises unusable for residential purposes, this Lease shall **terminate as of the date Tenant is required to vacate**.

Tenant shall peaceably vacate the Leased Premises and remove all personal property by the date possession is required to be surrendered. Tenant shall be responsible for **rent and other lawful charges prorated through the date of vacating possession**, and no rent shall accrue thereafter.

If **only a portion** of the Leased Premises is taken and the remainder is reasonably suitable for continued residential use, this Lease shall remain in effect, and rent shall be **equitably reduced** to reflect the loss of use, as determined in good faith by Landlord in accordance with Wisconsin law.

Any condemnation award shall belong to Landlord, except that Tenant may pursue a separate claim for relocation assistance or compensation for Tenant's personal property, if available under applicable law.

1.29 ASSIGNMENT OR SUBLEASE:

Tenant shall not **assign this Lease, transfer any interest in the Lease, or sublease all or any portion of the Leased Premises** without the **prior written consent of Landlord**, which may be granted or withheld as permitted by Wisconsin law.

Any attempted assignment, transfer, or sublease without Landlord's prior written consent shall be **void** and shall constitute a **material breach** of this Lease.

Consent to any one assignment or sublease shall not be deemed consent to any subsequent assignment or sublease.

1.30 JOINT AND SEVERAL LIABILITY:

If more than one Tenant has signed this Lease, each Tenant understands and agrees that all Tenants are **jointly and severally liable** for the performance of all obligations under this Lease, including but not limited to the payment of rent, additional rent, fees, damages, and compliance with all Lease terms.

Landlord may enforce the terms of this Lease against **any one or more Tenants**, individually or collectively, without first being required to pursue any other Tenant.

1.31 MISREPRESENTATION:

Tenant represents that all information provided in Tenant's rental application and any supporting documentation is **true, accurate, and complete** to the best of Tenant's knowledge.

If any information provided by Tenant in the application is found to have been **knowingly false, misleading, or materially inaccurate**, such misrepresentation shall constitute a **material breach** of this Lease and may be grounds for termination of the tenancy and pursuit of remedies permitted under this Lease and **Wisconsin law**, following proper statutory notice.

1.32 BINDING OF HEIRS AND ASSIGNS:

All provisions, terms, and conditions of this Lease shall be **binding upon and inure to the benefit of** Landlord and Tenant, and their respective **heirs, personal representatives, successors, and permitted assigns**.

1.33 SEVERABILITY:

If any provision of this Lease is determined to be **invalid, illegal, or unenforceable**, such determination shall not affect the validity or enforceability of the remaining provisions. The remainder of this Lease shall continue in full force and effect **to the maximum extent permitted by applicable federal, state, and local law**.

1.34 GOVERNING LAW

This Lease Agreement shall be **governed by, construed, and interpreted in accordance with the laws of the State of Wisconsin**.

1.35 ADDITIONAL CLAUSES:

Pursuant to **Wis. Stat. § 101.645(3)**, Landlord is responsible for the **installation and maintenance of smoke detectors located in common areas** of the building.

1. A person who was **not an invited guest** of the Tenant; or
2. A person who was an invited guest of the Tenant, **if the Tenant has done either of the following**:

This notice is **only a summary** of Tenant's rights. The **specific language of the Wisconsin Statutes governs** in all cases.

If Tenant vacates or is evicted from the Leased Premises and leaves personal property behind, and no written agreement exists regarding storage, such property shall be handled in accordance with **Wisconsin law**, including **Wisconsin Administrative Code ch. ATP 134.08**.

Landlord may treat personal property left behind as **abandoned** and may dispose of such property **as permitted by law**, subject to required notice and holding periods.

Time is of the essence with respect to all obligations under this Lease.

Nothing in this Lease shall be construed as a waiver or limitation of any rights or remedies afforded to either party under **Wisconsin law**, including **Wis. Stat. ch. 704** and **Wisconsin Administrative Code ch. ATP 134**.

Corporate Housing Program

Landlord maintains a Corporate Housing Program under which employees of **Kolbe** may qualify for a fixed rental rate **based solely on**

verified employment status. This program is administered uniformly and in compliance with applicable federal and Wisconsin fair housing laws.

Participation in the Corporate Housing Program does not create a right to tenancy, priority in leasing, or preference in housing availability.

Eligibility for the Corporate Housing Program is contingent upon verification of employment, which may include a recent paystub, employee identification, offer letter, or written confirmation from the employer. Failure to provide employment verification upon request shall render Resident ineligible for the Corporate Housing Program.

Loss of employment during the Lease term shall not affect the rent stated in this Lease but may affect eligibility for future renewals or incentives.

Rent Amount

Resident has been approved for a Corporate Housing Rate under this program. The monthly rent amount applicable to this Lease is the rent stated in the Lease for the applicable unit and lease term.

The Corporate Housing Rate is fixed and non-negotiable, applies only for the term of the current Lease, and does not combine with other concessions or promotions unless expressly stated in writing by Landlord.

Lease Terms and Screening Criteria

Participation in the Corporate Housing Program does not waive or modify Landlord's standard rental criteria, screening requirements, security deposit requirements, or lease enforcement practices.

All applicants and residents are subject to the same qualification standards and lease obligations regardless of employer.

Fair Housing Compliance

The Corporate Housing Program is administered in accordance with the **Federal Fair Housing Act** and the **Wisconsin Fair Housing Law**. Eligibility under this section is based solely on verified employment status and does not consider race, color, religion, sex, national origin, familial status, disability, lawful source of income, marital status, sexual orientation, or any other protected classification under applicable law.

Modification or Discontinuation

Landlord reserves the right to modify or discontinue the Corporate Housing Program at any time. Any such modification shall apply prospectively only and shall not affect the rent stated in this Lease during the current lease term.

No Third-Party Rights
